Sechrist Travel to host a **Nashville** event intended for top High School Choirs!

This day-long event will feature your choir in a 20 minute on-stage adjudicated performance, followed by a 30 minute on-stage clinic executed by *nationally recognized choral mentors*. Their written and recorded comments will be invaluable as you seek to improve the calibre of your choir's performance skills.

Our Adjudicators:

Dr. Melinda Doyle
University of Montevallo

Dr. Kent Hatteberg
University of Louisville

Dr. Matthew Phelps
United Methodist Church

In your down time, visit the **Country Music Hall of Fame** with your included ticket and explore the rich history of country and western music. We will finish the day with an awards ceremony to recognize top performers.

Will your school have what it takes to bring home top honors?
